

**BEFORE THE PUBLIC UTILITIES COMMISSION OF THE STATE OF CALIFORNIA**

Joseph S. and Delores K. Rodriquez,

Complainants,

vs.

Pacific Gas and Electric Company,

Defendant.

Case 03-08-024  
(Filed August 25, 2003)

**ADMINISTRATIVE LAW JUDGE'S RULING  
REQUIRING AMENDMENT OF ANSWER**

On October 2, 2003, defendant Pacific Gas and Electric Company (PG&E) filed a timely answer to the Complaint. At page 20 of the Answer, PG&E argues that the three issues complainants have identified should not be considered "until the Commission has considered the following single threshold issue," specifically:

Have the Complainants succeeded or failed to state a claim under Public Utilities Code Section 1702 that PG&E's installation of a guy wire violates any provision of law or order or rule of the Commission. (Answer at p. 20, emphasis added.)

I have been unable to locate any mention of a guy wire in the body of the Complaint, the attachments to it, or elsewhere in the Answer. I direct PG&E, on or before October 17, 2003, to file an Amendment of the Answer, which sets out

the facts supporting the existence of this issue and explains how it relates to this case.

**IT IS RULED** that on or before October 17, 2003, PG&E shall file and serve an amendment to its Answer, which complies with the body of this ruling.

Dated October 7, 2003, at San Francisco, California.

/s/ JEAN VIETH
